

## Graduation Requirements for the **Community, Environment and Planning Major** Department of Urban Design and Planning in the College of Built Environments

- ✓ **Individual Study Plan (ISP)** that maps out your course of study for your two years in CEP.
- ✓ **[30 Credits] CEP's Six Core Courses taken in sequence** (CEP 301, 302, 303, 460, 461, 462)
  - \* A student is allowed to substitute one core course, excluding the first and last, with study abroad
  - \* Students can choose to be evaluated with a standard 4.0 scale or C/NC. All students must complete written narrative evaluations
- ✓ **[25 Credits] Methods:** upper-division coursework appropriate to a student's objectives and career pathway. Methods may include courses such as qualitative and quantitative methods from the social, natural, and physical sciences; critical theory and analysis; art and design; group dynamics and facilitation; ethics and philosophy; speech communications; writing; and research methods.
  - \* Only 15 of these credits can overlap with requirements for another major
  - \* Minor requirements can count towards methods credits, but minors must be 60% different than any major. (*ex. of the 30-credit Urban Planning minor, only 12 credits can overlap with CEP-major credits*)
- ✓ **[5 Credits] Diversity:** Each student must take at least 5-credits that critically analyzes and addresses social constructs and/or issues from a different perspective than that of our dominant culture.
  - \* This course must be approved by CEP Staff.
- ✓ **[5 Credits] Internship and Accompanying CEP 446 course**
  - \* Internships must equal 120-150 hours, over at least a 3-month period
  - \* Students and their supervisor must fill out a learning contract prior to beginning the internship and a performance evaluation at the end
- ✓ **[10 Credits] Student Governance and Leadership Retreats (CEP 400 and CEP 300)**
  - \* Two-hour Friday morning Governance
  - \* Fall and Spring retreats, both Junior and Senior Year
- ✓ **[2-6 Credits] Senior Project Prep Seminar (CEP 490 and 491)**
  - \* Fall and Winter preparatory courses that can be taken for variable credit
- ✓ **Senior Capstone Project**
  - \* Includes project proposal completed in the Fall of a student's final year, professional presentation in May, and final product in June
  - \* Credit is given through the CEP 462 course
- ✓ **CEP Portfolio**
  - \* Personalized web-based portfolio that documents, demonstrates, and contextualizes your experience in CEP and the UW
  - \* Includes final reflective statement of your learning experience

**TOTAL of 77-81 CREDITS**
